Loving the World Caru'r Byd

Many of you will know that we have been looking carefully at how St Cybi's, as a building might be improved, and what space we might need as we seek to exercise ministry and mission into the future. A small team led by Stewart Hayter have worked with our architect to come up with some innovative plans. These plans will be available on Wednesday morning (29 March) in the morning service and the working group will be present in St Cybi's into the afternoon for you to ask questions and take away information. In our thinking, planning and doing, the fact that St Cybi's is an ancient and holy place of pilgrimage will in no way be set aside.

Reading for Sunday 2 April are: Ezekiel 37:1-14, Ps 130, Romans 8:6-11, John 11:1-45

Please pray for:

Wardens, Secretaries, Treasurers, Committee members and all those who hold office in the life of the Church
